Foreword

The 1969 Ramscott is not simply a history of the school year. It gives insight into the characters and personalities of McEvoy and Willingham students. As you turn these pages, remembering the good and the bad of this year, it is our hope that your pride and respect for both schools will be strengthened.

Miss Barbara Reves

We dedicate our portion of the 1969 Ramscott to one who has committed herself to the betterment of McEvoy and the McEvoy Scottie Band, Miss Barbara Reves.

Although small in stature, she has the necessary ambition and drive which has guided the McEvoy Scottie Band to success. Her concern and ability to get the job done has been an inspiration not only to band members, but to other students and faculty as well. For 10 years she has made known the name of McEvoy and the McEvoy Scottie Band.

This is the closing chapter, Juniors! We, the Seniors, are leaving it up to you. You can take what we have written in the pages of time and either improve it, or tear it apart. Perhaps we could have accomplished more, but you might learn from our mistakes how to write a better story for the future of Willingham High School.

The Class of '69 produced a high percentage of good leadership. Strong individuals led the many organizations effectively. We wish for the rising seniors a combination of good leadership strengthened by a united group of strong individuals.

We shall love Willingham always for the many experiences we had and for all the people who helped us prepare for the years ahead. We are sorry for our shortcomings, but very proud of our accomplishments.

As for the Class of '70—what will it be able to write on the clean pages of 1969-1970?

Sophomores Take Second Place

The Class of '69 took first place by rewriting the history of the Civil War to allow the South to win it in a poker game. Sophomores gave their version of TV commercials and movies in "Corn Productions." Juniors took the audience into storybook land and showed how the nursery rhymes really happened. These three original, entertaining skits made Stunt Night better than ever.

Coach Dedication

We salute the men who constitute the Ram Coaching Staff. They are men dedicated to the task of producing winning teams for Willingham and good citizens for our community. They are demanding in what they expect from the athletes but never ask more than they are willing to give. Also we salute the chaplain, Hubert Wheeler. He has inspired a sense of fair play and good sportsmanship among the team members.

The Tom Porter Invitational Basketball Tournament opened at the Macon City Auditorium with the Willingham Rams squared off against the Mt. DeSales Cavaliers. After the battle was over and the smoke cleared, the scoreboard gave the victory to Coach Garvin's Cavaliers, putting the Rams out of the competition for the rest of the tourney. Greg "Jungle Man" Kendrick and Billy Beale, both returning lettermen, were the main ballhandlers for the Rams with Mike Wheeler, Rick Thomas, and Mike Mimbs also returning as support men. The Rams' basketball season was something less than a winning one, but the spirit of the two schools was not dampened even with five wins and nineteen losses.

Mark Stevens, Gary Curtis, Charles Price, Andy Durden, Donnie Fussell

Everyone of last year's baseball team members have been playing since grammar school. Since their days in the South Macon Little League, the catching, hitting, and running have become a little better each year. Like most of the other sports at Willingham, the baseball team consists of specialists who love their sport. We salute you, Ram Baseball Team!

All thirteen groups of this year's wrestling team are filled with very good wrestlers. Coach Lloyd Bohannon has been the wrestling coach for Willingham for two years. The team went to state again this year and several of the Ram wrestlers were in the top ranks. To help out the new boys are eight returning lettermen: Reid Goodman, Kenny Burnett, Kenny Hargrove, Ricky Deriso, Andy Spires, Jimmy Ward, Steve Deriso, and Tommy Thrasher.

This year's tennis team consists of many good players instructed by an excellent coach. Coach Johnny Waters is a graduate of Georgia Southern where he was selected as "Most Valuable Player" for three years. The team began practicing back in December to prepare themselves for a good season. There were six returning lettermen this year: Phil Bellury, Billy Browning, Mike Odom, Ricky Deriso, Jack Rosson, and Sherwood Carter. Because of their devotion to the sport, the team did very well in the region tournament this spring.

The Willingham Track and Cross Country teams offer the best examples of desire imaginable. The basis of this sport is individual and team alike. Strong individuals must make up a track team; their efforts can be seen in their moments of triumphs.

In track each member is a specialist. Out of the speed comes pride, as can be seen many times on the big "O" when the sweat season opens.

Being limber as a jellyfish is a virtue with the Willingham Gymnastics Team. The agility of these guys was made possible through hours and hours of hard, determined practice. The team amazed crowds with their trampoline routines and stunts on the parallel bars and rings. If there ever was a professional high school gymnastics team, it can be found at Willingham Senior High School.

McWill Night Hailed a Success

The annual athletic night for McEvoy and Willingham was held on February 7 in the new Macon Coliseum. Mrs. Anne Hadarits and Mr. Billy Henderson, heads of the McEvoy and Willingham physical education departments, respectively, directed the activities for the 2000 participating students. The varied activities included rhythm exercises to music, folk dancing, tumbling, wrestling, weight-lifting, racing, swimming, volleyball, and basketball.

The purpose of the athletic night was not just to entertain. It was to illustrate why teen-agers engaged in physical education programs are not only physically fit, but are learning desirable skills and habits that will be a carry over into adult life.

Physical Education in Progress

Educating the whole person through the physical sums up the purpose of physical education. At McEvoy, physical education is a vital part of the total curriculum. The program includes team sports, individual and dual sports, rhythm, tumbling and gymnastics. Any girl will profit from participating in this program.

Physical Education Staff: Mrs. Carol Bohannon, Dr. Jean Jacobs, Mrs. Anne Hadarits, Miss Linda Giles, Miss Ginger Schell.

Lassies on Gym Day

Each year at the end of school G.A.A. sponsors the lassies' Gym Day. Students are allowed to wear sports clothes so that they may be able to participate in the various activities. Points were given in softball, races, and physical fitness tests to the most deserving class. The Class of '68 took first place honors by accumulating the most points.

They are a bit serious.

Skinner hit the ball?

Chipmunks are back in style.

Seniors vs. Teachers

The Seniors of G.A.A. challenged the Faculty in a match of volleyball, played before the entire student body. The Seniors, dressed as hippies, picked Gail Wood as their head guru. Mrs. Anne Hadarits led the Faculty in their usual attire of black bloomers and white blouses. The excitement-packed game ended with the score: Seniors 15; Faculty 13.

Mrs. Bell, you should stick to Trig!

Up, up, and away!

The end of what?

Seniors Are on Top in '69

Senior Team: Pat Childers, Cheryl Spell, Crystal Fountain, Shirley Archer, Gerry Slocumb (captain), Shelia White, Gail Wood, Brenda Thames, Theresa Skinner, Xavia Crissey.

Seniors captured the spotlight in intramurals this year by winning in volleyball, archery, and badminton. They are truly "Mighty Fine in '69."

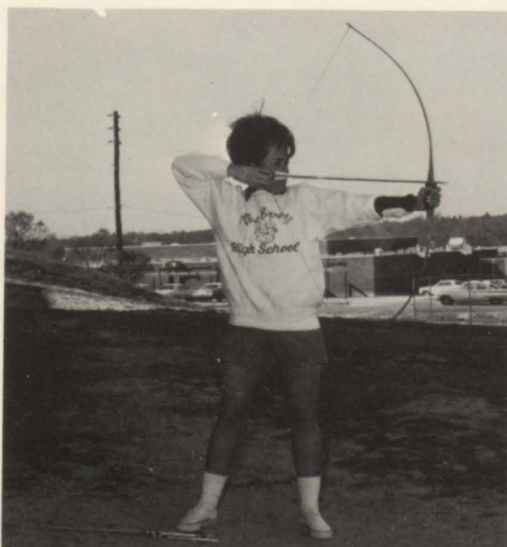

"THE SPIKE"

"THE SPELL"

Joyce Tucker takes the prize in archery for the seniors. Archery tournaments were held in each class to determine who would compete in the championship match.

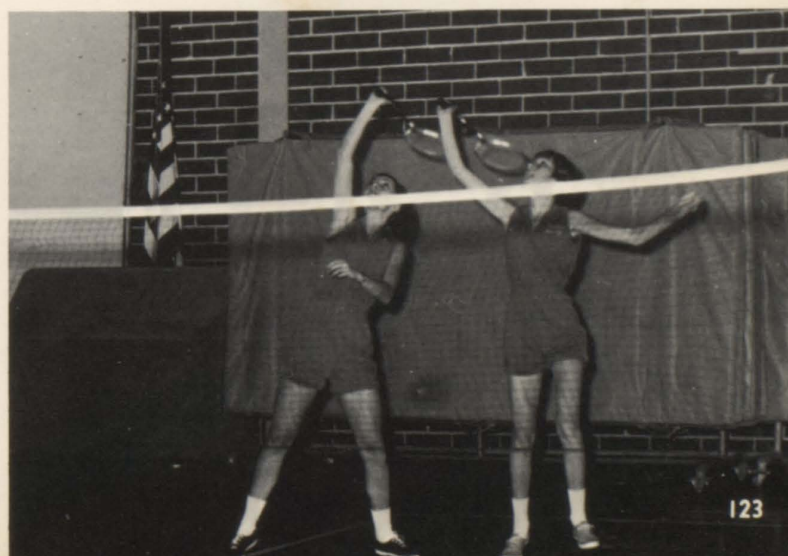

Rhythmic Gymnastics Is A Lassie Favorite

Ball and rope gymnastics are relatively new in our physical education program. This exercise demands from the individual balance, hand-eye coordination, and rhythm.

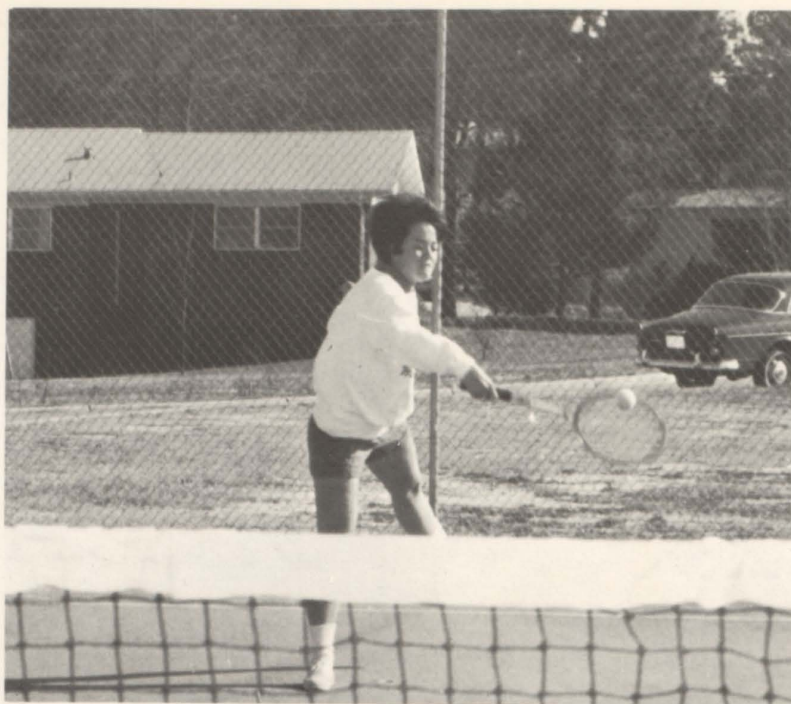

Pat Childers and Crystal Fountain defeated Shelia White and Gail Wood in the championship badminton match. Badminton is a game that can be played indoors or outdoors, in singles or doubles. The main thing to remember is to "watch the birdie."

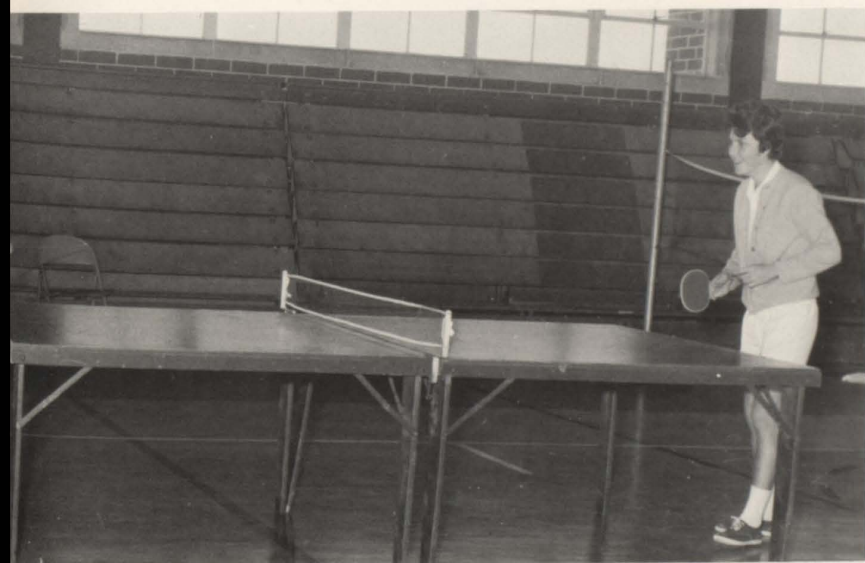

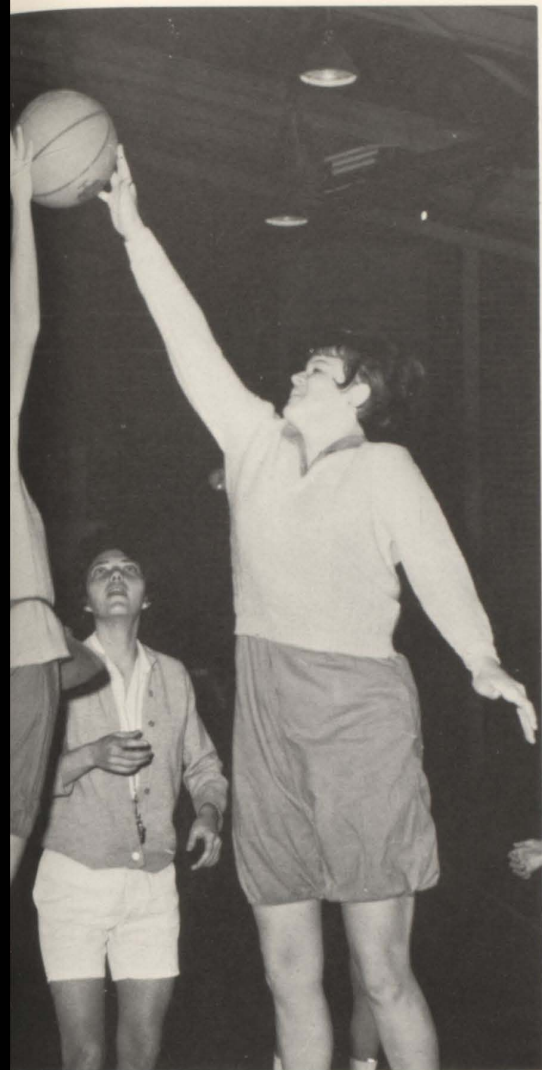

Sports That Involve the Individual

Ping-pong and tennis are strenuous games that call for singles or doubles. Ping-pong helps the student to become precise and accurate. To keep such a small ball on the table requires perfect timing and control. Tennis requires much energy and hand-eye coordination. Tennis is a game well-liked by everyone.

Basketball, Lassie-Style

Exercising is the beginning of the physical education program. "Getting in shape" after the lazy days of summer is a necessity. If you want a slim figure and strong body, exercise is your answer.

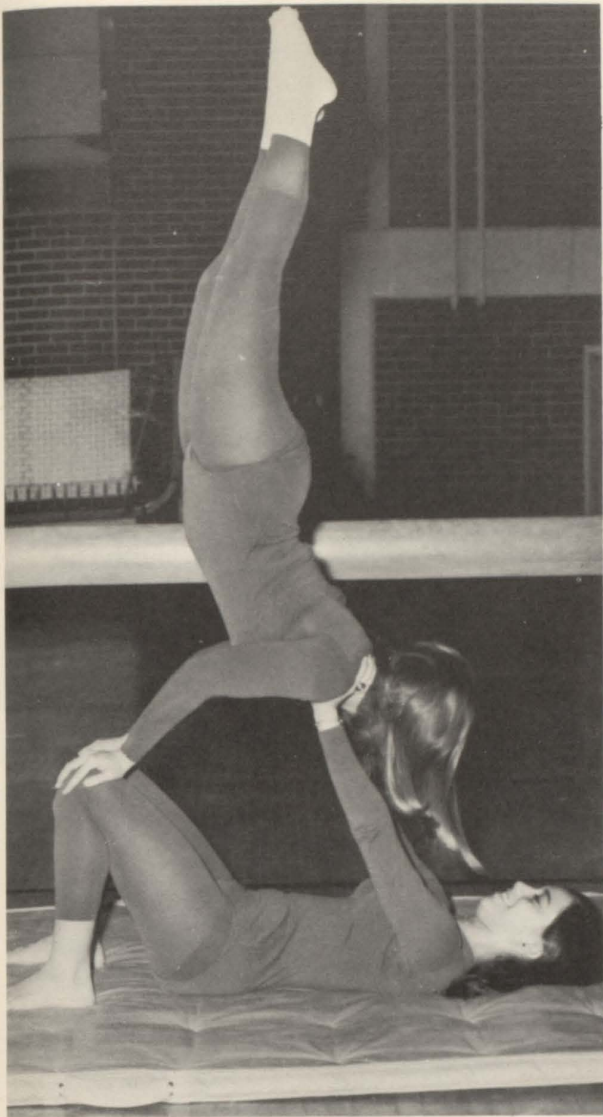

Lassies Are for Team Sports

Football, soccer, speedball, and field hockey are some of the team sports taught by the physical education department. All these sports require energy, skill, team work and good sportsmanship.

Gymnastics

Gymnastics is the individual able to do a head stand without losing her balance. Under the direction of Miss Ginger Schell, the McEvoy Gymnastics Team has become one of the best. These girls have mastered the skills of gymnastics with poise, balance, and gracefulness.

On beam: Barbara Taylor, Sylvia Tyre, Lynn Mondy. **On floor:** Celia Smith, Cynthia Moore, Debbie Purvis, Linda Bittner, Ann Goldstein, Junie Stewart.

of 1969

George Slappey

Elected by the Senior Class, George is Willingham's "Best Citizen" because of his friendliness, coolness, and devotion to the ideals which make a man out of a boy.

Star Students

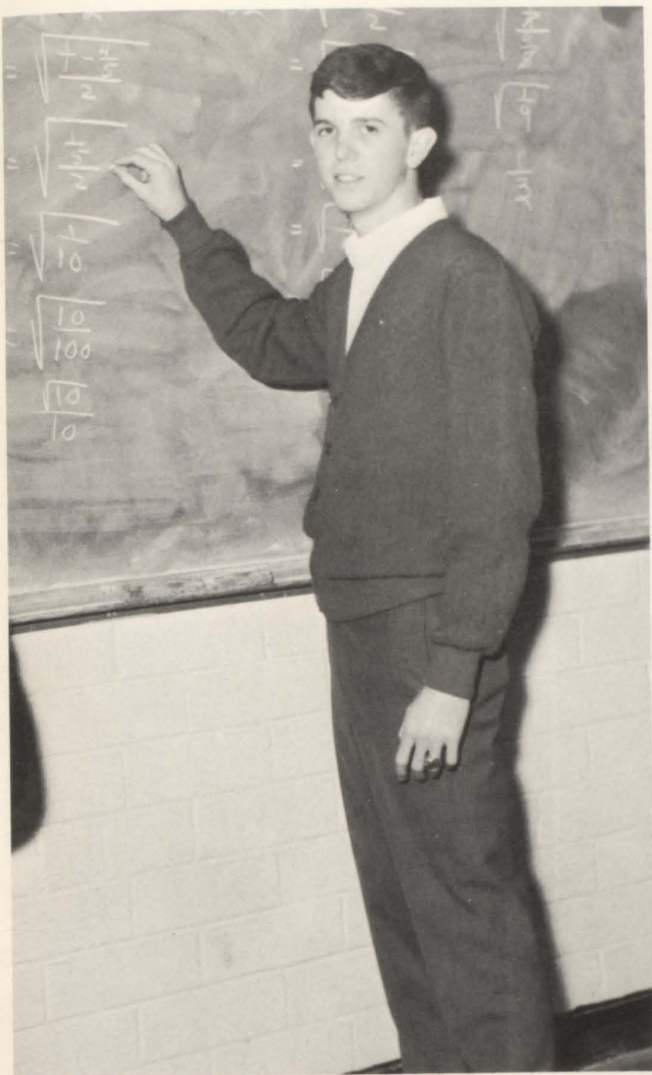

Her creative intelligence and high academic ability make Jackie a true Star Student. She received this honor because of her high score on the SAT.

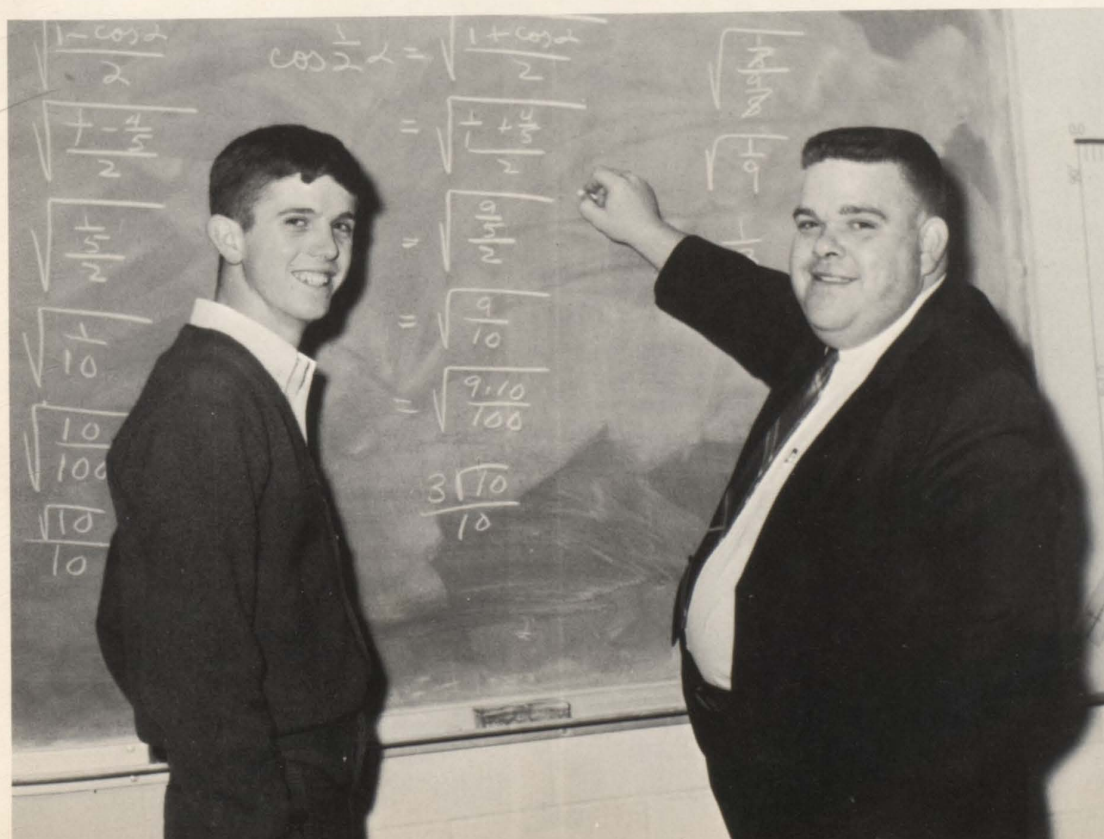

Mrs. Shockley, a devoted, spirited teacher, is always willing to help her students. Because of her concern and dedication, she was chosen by Jackie as Star Teacher.

and Teachers Chosen

Chosen because of his high scholastic achievement, CHARLES EVANS is Willingham's 1969 Star Student. His work is superior whether it be in school work, the basketball team, or the Beta Club, of which Charles is president. We salute you, Charles, and admire your potential leadership ability.

Charles has chosen Mr. Harold Watson, "professor" of algebra, as his Star Teacher. Mr. Watson is well known for his devotion to Willingham and is the advisor for the Student Council. We thank you, Mr. Watson, for giving of yourself to prepare teen-age boys for a man's world.

Governor's Honors Program

Jackie Mize

Jackie Mize, a senior at McEvoy, attended the Governor's Honors Program last summer. Jackie was chosen because of her outstanding scholastic achievement and interest in social studies.

Barry Gillis — Mike Pyles

Barry Gillis, a junior, and Mike Pyles, a senior at Willingham attended the Governor's Honor Program at Wesleyan College in Macon last summer. Chosen basically from their SAT scores, Barry and Mike intensively studied music and English, respectively, during the program.

THE LEADERS

Mrs. Mildred W. Hull

"Opportunity is not what may come to us tomorrow, but what we make out of today." This quotation, though written long ago, is most applicable to you today. You are living in a time of "opportunity unlimited." The main obstacles, or limitations, to the opportunities that are yours are those self-imposed by your own lack of vision, lack of ambition, or failure to make wise choices.

Educational opportunity is only one factor in determining your success in life. After combining this with other factors, the final decision is up to you as an individual. More than ever before, the responsibility is yours. In order to take advantage of the opportunities afforded young people today, you need to establish goals and ideals for yourself that will enable you to be successful and lead a meaningful life for yourself and for others.

"Ideals are like stars. You will not succeed in touching them with your hands; but like seafaring men, you choose them as your guides, and following them, you will reach your destiny."—Carl Schurz

Principals

Mr. Fred Johnson

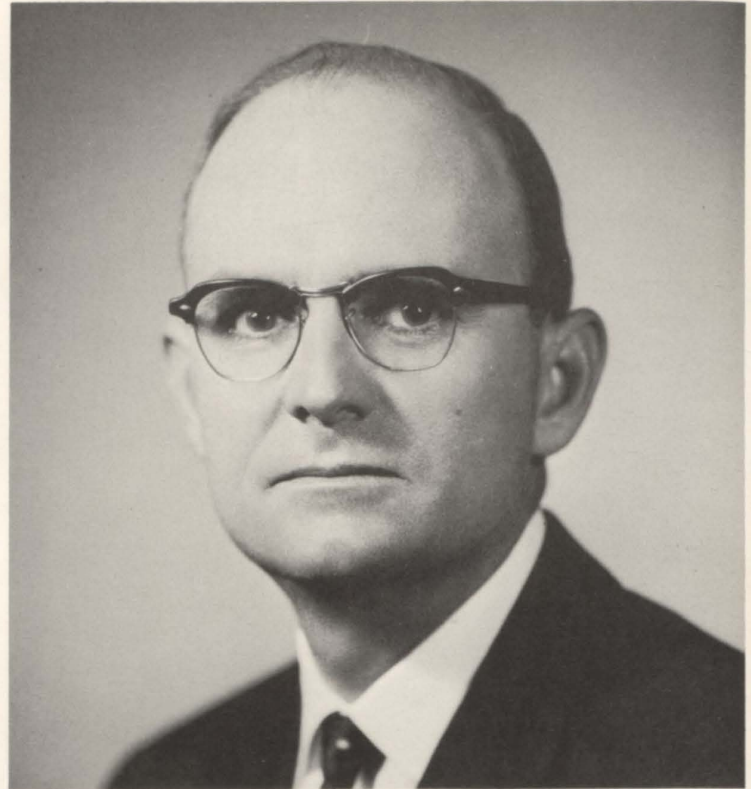

Congratulations to those of you who are completing your high school education. However, I would caution you to remember that this is not the end; it is only the beginning. Education is a process that lasts throughout your life. If you have formed lasting friendships, developed good attitudes, broadened your academic knowledge, developed useful skills, and opened new horizons—then your high school years have been fruitful. If you continue to study, to question and evaluate, to cultivate those things which are not—then you can look forward to a life filled with the satisfaction of accomplishment.

WESLEYAN COLLEGE

Chartered 1836

For Further Information Write:
DIRECTOR OF ADMISSIONS

Wesleyan College
Macon, Georgia 31201

Wesleyan College, the first chartered college for women, is a Methodist school dedicated to serving today's youth by preparing them for intelligent and satisfying living in the world of today.

Rich in the tradition of the past, but ever alert to the changing times, Wesleyan offers inclusive curriculum leading to three degrees—Bachelor of Arts, Bachelor of Music, and Bachelor of Fine Arts.

The institution is fully accredited by the Southern Association of Colleges and Schools, the National Association of Schools of Music, and the National Council for the Accreditation of Teacher Education. Wesleyan is a member of the Association of Schools and Colleges of The Methodist Church, the Georgia Association of Colleges, and the American Council on Education. Wesleyan is fully approved by the University Senate of The Methodist Church and by the American Association of University Women.

The modern 240-acre campus is located northwest of Macon on Forsyth Road.

We have attempted to show McEvoy and Willingham the way they really are. Our informal moments as well as the formal ones, our bad moods as well as our good, have been portrayed in this, the story of 1968-1969.

During this school year, McEvoy and Willingham have been a prominent factor in shaping the future of almost 2000 students. Extra-curricular activities have provided an opportunity for students to learn how to organize activities, how to cooperate with

others, and how to identify with many types of people. Here the individual is respected as such and is developed physically and mentally. Due to the diligence and concern of the faculty, the classes have helped mold him into a mature, thinking human being. Only through the development of such responsible young adults may the world be changed for the better. For this we salute you, our Alma Mater, the school to which part of us will always belong.

The **Ramscott** Staff

This page is set aside to express our sincere gratitude to all the kind people who helped make this **Ramscott** possible. We would like to thank:

For pictures:

Mr. Bill Barron
Mr. Charlie Dorsey
Drinnon's
Hintermeier-Utley Studios
Mr. Bill Meriwether, Jr.

For homes:

Mr. and Mrs. Howard R. Allen
Mr. and Mrs. Alexander Funck
Mrs. Glennie Smith

For the use of their facilities:

The Hay House
High Falls

For their patience:

Our teachers

A special thanks goes to our advisors, Mrs. Trudy Norris, Mrs. Mary Smith, and Mrs. Jean Brown, for their patience, advice, concern, and understanding. Without them there would have been no **Ramscott '69**.
